

# ME4054 DESIGN SHOW EVALUATION

---

Project Name:

Your name:

Affiliation:

---

Circle one number for each metric. For the numerical rating, 1 = needs significant improvement, 2 = below average, 3 = average, 4 = above average, 5 = exceptional. All groups cannot be above average. The Quality of Design metrics have twice the weight as the Quality of Presentation metrics

---

## **QUALITY OF THE DESIGN**

The team followed a good design process	1	2	3	4	5
The team used their knowledge of modeling and analysis	1	2	3	4	5
The design meets customer needs and requirements	1	2	3	4	5
Alternatives were explored and evaluated	1	2	3	4	5
Quality of the prototype or simulation as appropriate	1	2	3	4	5
The overall quality of the final design solution	1	2	3	4	5

## **QUALITY OF THE PRESENTATION**

Ability of students to explain the design	1	2	3	4	5
Exhibit clearly explains the design	1	2	3	4	5

---

## **COMMENTS**
