

Summer Research Program for K-12 Science or Math Teachers in Mechanical Engineering at the University of Minnesota

APPLICATION FORM

Personal Data

Name _____ Birth Date ____/____/____
Last First MI

Country of Citizenship¹ _____

Address _____
Street

_____ City State Zip Code

Telephone (____) _____ E-mail Address _____

Current Position

Name of School _____

Current teaching assignment(s) _____

Address _____
Street

_____ City State Zip Code

Academic Information

Undergraduate College/University _____

Degree and Major _____

Graduate College (if applicable) _____

Graduate Degree and Major _____

Previous research experience (outside laboratory courses) None Less than 50 hours More than 50 hours

Have you previously conducted research with a faculty member at the University of Minnesota? Yes No

If yes, faculty member's name _____ Department _____

¹ Applicants must be citizens or permanent residence of the United States or its possessions.

Are there any other factors that should be considered when placing you in a specific laboratory or research experience?

e.g., allergies, disability, etc.? _____

Additional Information Related to Funding

1. Portions of the funding for the Summer Research Program are specially targeted for groups who are under-represented in science and engineering. If you qualify as a member of one or more of these groups, please indicate your eligibility for these funds by checking all that apply.

African American	Asian	Chicano/Latin/Hispanic
Native American	Native Alaskan	Native Pacific Islander
Female	Disabled	Other under-represented ethnic group _____

Required Application Materials

Submit two (2) stapled packets that include one copy of each of the following:

- This two-page **Application Form** completed and signed.
- A one-page **Personal Narrative Statement** which describes your interest in the Summer Research Program and your current goals.
- A current resume, including two reference contacts.

Project Specification:

Sample projects can be found at the undergraduate summer research program site (www.me.umn.edu/research/reu/researchchop.shtml). Please indicate your 1st, 2nd, and 3rd choices for area of study and the particular project within that area.

1st choice: _____ Particular topic: _____

2nd choice: _____ Particular topic: _____

3rd choice: _____ Particular topic: _____

Please identify a five or six week time period, between June 1 and August 9, 2008, when you plan to participate in the program.

Signature:

Applicant's Signature _____ Date _____

Send all application materials by mail or email to:
